

Park District of La Grange Commemorative Tree Program

Trees contribute to the beauty of our parks and are a benefit to the environment. A commemorative tree is a perfect way to:

- ❖ Celebrate a marriage, anniversary, or birth
- ❖ Recognize an event, organization or person
- ❖ Remember a loved one

You can select the type of tree to be planted from the list below. Selections depend upon nursery availability.

Maple	Serviceberry
Hackberry	River Birch
Ash	Hornbeam
Ginko	Witchhazel
Kentucky Coffee Tree	Magnolia
Pear	Crab Apple
Oak	Tree Lilac
Linden	Tuliptree
Elm	Turkish Filbert

Your tree can be purchased anytime during the year starting at \$300, depending on species. An outside contractor then plants trees the following spring. Standard tree sizes range from 2 to 2 ½" diameter and 5 to 10' in height. The Park District will maintain your tree. This includes watering, mulching and pruning.

8" x 6" bronze plaques are available for the additional price of \$285.

Park staff will help you select a planting site as well as tree specie. The Park District of LaGrange reserves the right to determine final placement of the tree.

Please contact us at 352-1762 to begin the process.
