

Park District of La Grange Goals 2010-2011

GOAL #1:

The Park District of La Grange shall provide safe, accessible, well maintained parks, facilities, and quality equipment appropriate to it's intended purpose, and will endeavor to identify opportunities to increase park land and other physical assets.

Goal #2:

The Park District of La Grange shall provide leisure services, recreation programming and events that are creative, fun, safe and affordable, which serve the needs of the broad spectrum of the population.

Goal #3:

The Park District of La Grange will operate in a fiscally responsible manner and will establish financial systems to enhance its efficiency and effectiveness.

Goal #4:

The Park District of La Grange will continue to invest in it's employees by creating a working environment that continuously provides learning opportunities and new challenges.

Goal #5:

The Park District of La Grange will promote public confidence through measurable, effective, responsive, and efficient governance and management.

Goal #6:

The Park District of La Grange will enact a community relations program designed to increase public support and volunteerism through effective communication and cooperation with other community agencies to facilitate joint programs and to prevent duplication of effort.

Goal #7:

The Park District of La Grange will encourage efficient use of natural resources through educational programs and the wise stewardship of it's own resources.
